

ALEXANDRE **KETO**

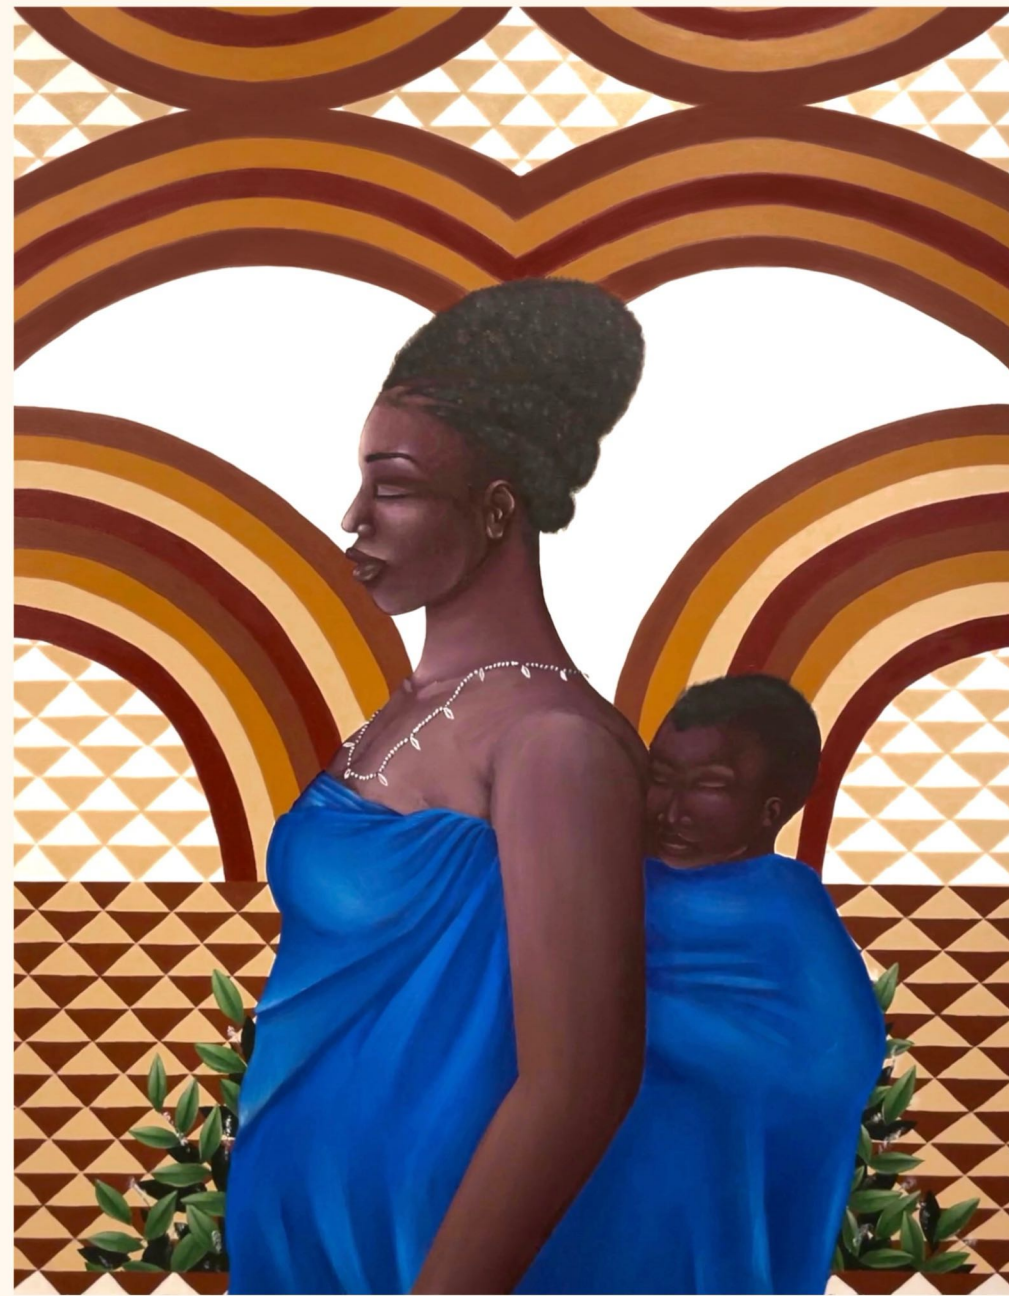

"I have always wanted the integration of what drives me in my current reality but also incorporating outside occurrences - avoiding having only my life experiences as my sole reference. I believe that art is a tool that enables this direct intervention, opening new horizons - but in a real and accessible way, so it really reaches people. That is why today I do art having in mind social issues, so it can be one more tool for building knowledge."

ALEXANDRE KETO

CONGO - FERTILITY
 Acrylic on canvas
 36x48 inches
 91x121 cm

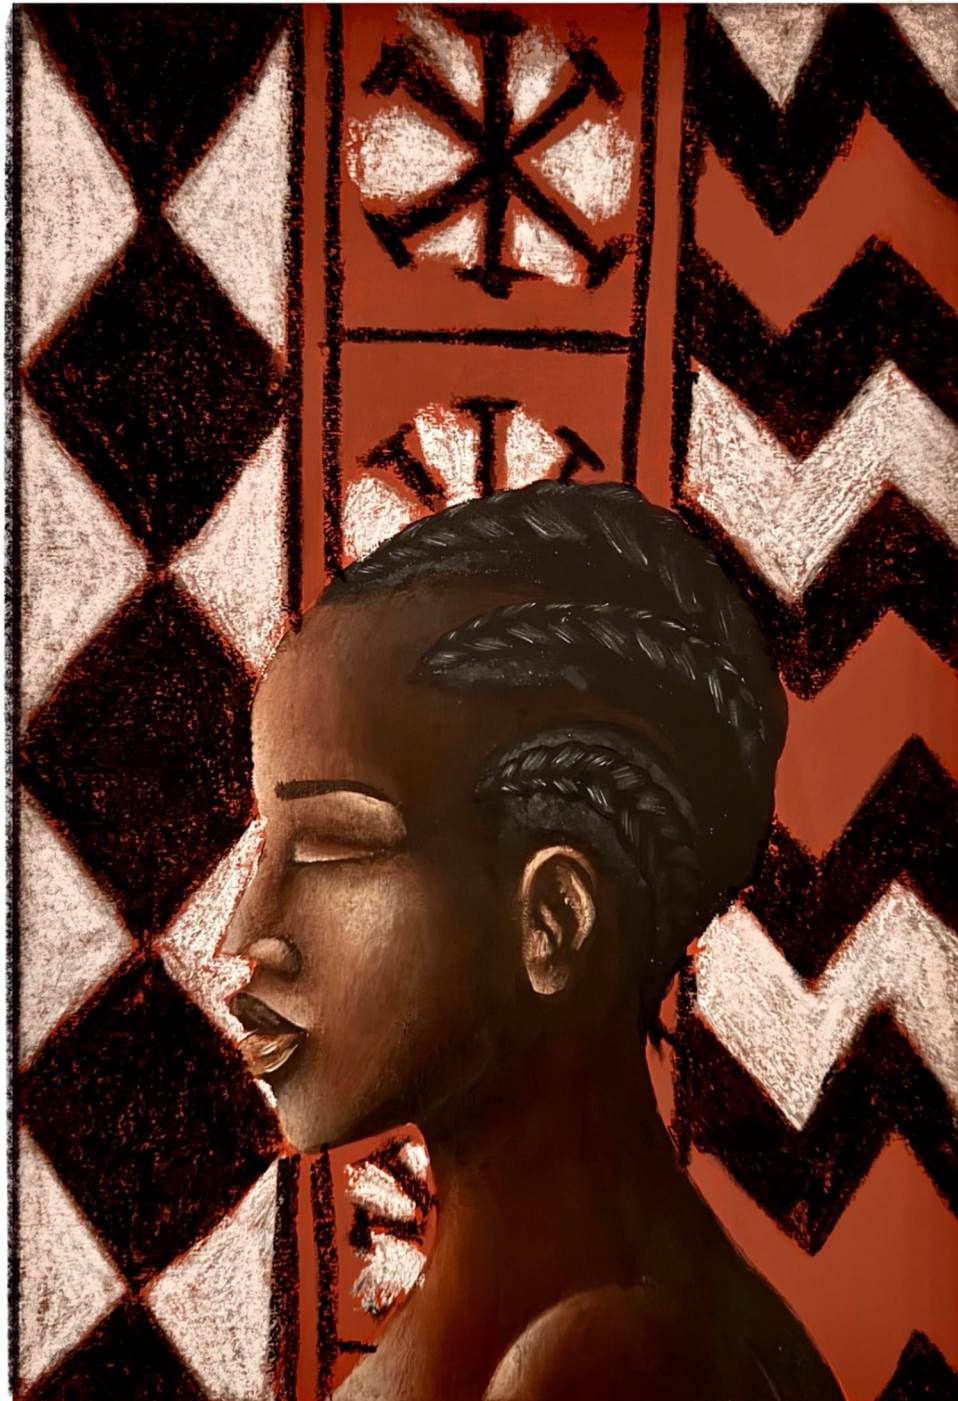

CONGO - MOTHERHOOD
 Acrylic on canvas
 36x48 inches
 91x121 cm
